RESTAURANT

“ The name Adami comes from the Greek word "adamoma," a cherished Sunday ritual where people gather around a table to celebrate connection. Our menu reflects this spirit, aiming to evoke warmth, comfort, and a sense of togetherness. It's about more than sustenance; it's about the experience of coming together, sharing stories, and enjoying each other's company around the table.
We hope that when you share a meal with loved ones at your table, it becomes your own "adamoma," filled with the warmth of our flavors and a touch of nostalgia for special moments spent here at Adami. ”
